Dear Retiree,

We hope that you and your family are doing well and we hope that you have enjoyed many years of the Our Time Retiree Newsletter.

We would like to thank Charlie Muhs, and his wife, Dottye Muhs, for their enduring personal commitment and care that they have put into editing and writing the newsletter for these many, many years; however, the time has come for the FAA Human Resource Management Office to discontinue sending out copies of the newsletter. Enclosed will be the last newsletter mailed out to you, we hope you enjoy reading it and as a reminder, the Our Time Retiree Newsletter is still available online at: www.ourtimeonline.com.

Sincerely,

Karen J. Williams
Human Resource Management Office
